*Please start by giving a short summary of Sunday's message before going on to discuss these questions.*

*Don't worry if you don't get through all the questions or if you've got different questions to ask, that's fine! Remember, the key is to help one another apply the message from Sunday to everyday life.*

- 1) What impacted you most from Sunday's message?
- 2) Are there any testimonies of God's healing power?
- 3) Does anyone have a specific testimony to share as a result of Sunday?
- 4) God loves & responds to faith – in what areas do you need to step out in faith?
- 5) What response should we have to those who are sick?  
*(Sometimes our most natural response is to comfort rather than to pray i.e. stepping out in faith)*
- 6) Is God only interested in healing our physical ailments?
- 7) How should we respond when people aren't healed?  
*"Comfort is never found in the "why?", it is always found in the "who?". He always comes and reveals himself to us." – PJ SMYTH*

*Offer to pray for anyone who would like prayer...*
